

#CONNECTINGGARDENS

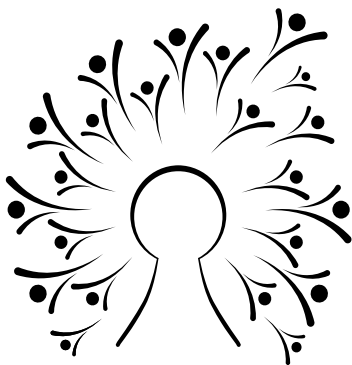

CREATE OPEN SOURCE GARDENS

Welcome to your starter kit and thank you very much for participating in the creation of an Open Source Garden.

In your package you find a tasty selection of officially licensed Open Source Seeds.

Enjoy your first Open Source Gardening season and *tell us about it!*

Find more info and *updates* on:

*chaos.social/
@opensourcegardens*

www.opensourcegardens.info

Be part of our campaign and help to connect us online.

Take pictures of your plants or share your best tips and tricks with us!

We like to *connect* via *Open Source Gardens*.

CONNECT THE GARDENS

Share your stories and pictures in your favorite communication channels. Use the hashtags
*#OpenSourceGarden
#OpenSourceSeeds and
#ConnectingGardens*

Also notify our accounts so we can connect easily
